## Healthcare Assistance Guide for Foreign Students

**JOÃO PESSOA/PB  
2025**

# GET TO KNOW CRAS

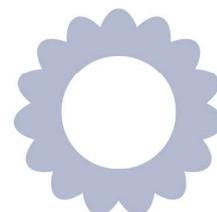

## WHO ARE WE?

- The Center for Reference in Healthcare Assistance (CRAS), a supplementary body of the Rectory (Reitoria), represents a new approach to integrated healthcare services.
- Located on Campus I of UFPB in João Pessoa, CRAS was established on February 28, 2014, following the approval of Resolution No. 04/2014 by CONSUNI, as a supplementary body affiliated with the Rectory.

## PURPOSE

- Provide healthcare assistance to regularly enrolled students, faculty members, and administrative staff who do not have supplementary health coverage or are not users of the GEAP self-management plan.
- Contribute to research, extension, and formation of professionals who will work in the SUS healthcare network.

# GET TO KNOW THE CRAS UNITS AND THEIR AVAILABLE SERVICES

## Unidade CRAS Clínico (CRAS Clinical Unit)

- Provides the following services: infirmary care, doctor's appointments across multiple specialties, clinical dentistry, and tomography.

Located next to the University Residence and the Professional Technological Center – Technical School of Health (Centro Profissional Tecnológico – Escola Técnica de Saúde).

## Unidade CRAS Diagnóstico (CRAS Diagnosis Unit)

- Provides the following services: dietitian appointments (clinical and sports), oral and maxillofacial surgery, ultrasound, and echocardiograms.

Located in the CCS building, across from the Professional Technological Center – Technical School of Health.

## Unidade CRAS Clínico (CRAS Clinical Unit I)

- Provides the following services: clinical psychology and coordination of teaching, research, and extension programs.

Located in the former City Hall building, next to the Institute of Aging of Paraíba (Instituto Paraibano do Envelhecimento) and near the Santander Bank.

# STEPS TO ACCESS CRAS HEALTH SERVICES

01.

## REGISTRATION
